Dear Mr Swenson,

I am delighted and proud to announce you that you have reached all our top certification level criteria in the KYOCERA MITA Channel program.

This level -called KYO Xpert Elite- is the proof of your continuous investment around the global KYOCERA offers, included all solution softwares that you, your sales and technical teams, have fully integrated.

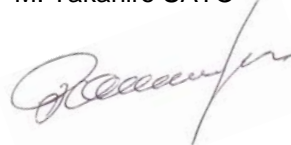

Thanks to this certification, you will benefit from several additional advantages such as our leads detection program, marketing investment, and different others business supports.

Again, I want, in the name of all Kyocera Mita France team, to thank you for your confidence in our products and organization, and to repeat again, if necessary, that you can always count on us for your future business.

I wish you a very nice Christmas, and all the best for next year.

Kind regards.

M. Takahiro SATO

General Director
KYOCERA MITA France.
